Dear Warren St. John

I'm am requesting that you come to FCI Fort Worth to see me ASAP, and discuss, what our relationship consist of right now if any. My mother already talked to your wife and she told her that, I am on my own because I'm pro se yet you are obviously envolved. The DA. has sent forfeiture documents to me through you and you came up here with the probation officer for the PSI investigation yet when my mother has emailed you about matters regarding my appeals you are telling her that its all on me. Then Aisha is also not sending or addressing documents or matters to me. How can I be pro se if I'm not being treated as if I am in fact pro se. This matter needs to be addressed, once again I never wanted to be my own counsel I felt like I had no choice whatsoever and was forced. I was put in the position that if I didn't do something to protect myself nobody was going to and that's how I felt seeing as you came to see me twice in almost 6 months to prepare for a trial and not even once in the last 60 day extension. What was I supposed to do.
